

Presidents Message

Thank you for the privilege of serving as your 2026–2027 President for the Central Solano USBC. I want to begin by recognizing **Bruce Herbert III** for his outstanding service as President. His dedication, leadership, and countless hours of commitment have made a lasting impact, and we are grateful for everything he has done. As your Board of Directors moves forward, we are committed to meeting USBC standards and continuing to strengthen the sport of bowling in Solano County. But we cannot do it alone—your passion, involvement, and willingness to be ambassadors for bowling are what keep our association thriving. Together, we can ensure the sport remains strong both locally and nationally.

This year, we will continue to promote our annual tournaments—Masters, Open City, Women’s, BVL, and Youth—while also exploring new opportunities such as a No-Tap Tournament and additional fundraisers. We plan to expand our social media presence to better connect with our community and highlight the great events happening throughout the year. Our partnerships matter, and we will continue working closely with **Travis Bowl** and **Lucky Strikes**. Change is part of growth, and we will embrace it in ways that benefit our bowlers and our association.

I am grateful for the leaders who came before me, and I am committed to building upon the strong foundation they established. My goal is to serve you with integrity, transparency, and dedication. If you have questions, concerns, or ideas, I welcome them. Let’s make this a great year—together.

Charles Anderson,

President, Central Solano USBC
